

MA SERIES PORTABLE PA SYSTEMS

MA-101a

The **MIPRO MA-101a** Personal UHF frequency agile wireless PA system is the ideal system for bus tours, parties, parades, seminars and other small event gatherings. It easily handles crowds of up to 400 people, yet weighs a mere 6.5 lbs.

This versatile unit can be handheld, used with the included shoulder strap, placed on a flat surface or mounted on an optional stand. The MA-101a is offered with your choice of a wireless handheld microphone transmitter, body pack transmitter and an optional wired microphone, storage bag and stand.
